**Charging & Remissions  
Policy**

**Mrs Pedley**

**2016**

**Next Review – 2019**

## **Status**

Statutory

## **Purpose**

We believe that all our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra curricular) independent of their parents'/carers' financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

## **What was consulted?**

The policy has been informed by *A Guide to the Law for School Governors* and the DfE guidance *Planning and Funding Extended Schools*.

## **Relationship to other school policies**

The policy complements the school's equality policy, curriculum policy, educational visits policy and the teaching and learning policy.

## **Roles and responsibilities of head teacher, other staff, governors**

The head teacher, staff and governors will ensure that the following applies:

### **1. No charges will be made for**

- education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of the school's basic curriculum for religious education
- tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip

### **2. Activities for which charges may be made**

#### *a) Activities outside school hours*

Non-residential activities (other than those listed in 1 above) which take place outside school hours, but only if the majority of the time spent on that activity takes place

outside school hours (time spent on travel counts in this calculation if the travel itself occurs during school hours).

*b) Residential activities*

Board and lodging costs (but only those costs) of residential trips deemed to take place during school time. However, pupils whose parents/carers are in receipt of certain benefits (see point 3 below) may not be charged for board and lodging costs.

Residential trips deemed to take place outside school time (other than for those activities listed in 1 above).

*Is a residential trip in or out of school time?*

If the number of school sessions on a residential trip is equal to or greater than 50 percent of the number of half days spent on the trip it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into two sessions. A “half day” means any period of 12 hours ending with noon or midnight on any day.

When any trip is arranged parents/carers will be notified of the policy for allocating places.

*c) Music tuition*

Music tuition for individuals or groups of up to four pupils.

The following is a form of words that could help to explain to parents and carers what may/may not be charged for.

*Charges will (or may) be made as indicated below. Parental agreement will be obtained before a charge is made.*

*Activities which can be charged for (with the exception of board and lodging for residential trips) are regarded as “optional extras”. Charges will not exceed the actual cost (per pupil) of provision*

d) Some extraordinary activities and trips to enhance learning that could take place during the school day. These will be a voluntary contribution.

### 3. Families qualifying for remission or help with charges

In order to remove financial barriers from disadvantaged pupils, the governing body has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents/carers in particular circumstances. This remissions policy sets out the circumstances in which charges will be waived. If remission or help is available in relation to a particular charge it is indicated in the right hand column of the table above. Criteria for qualification for remission are given below.

#### *Category A*

Parents/carers in receipt of

- Income Support
- Income-based Jobseekers Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by HM Revenue and Customs) does not exceed the sum given in the Revenue and Customs rules
- Guaranteed State Pension

Additional categories of parents/carers may claim help with some costs in some circumstances

- Children in receipt of Pupil Premium payment.

### 4. Additional considerations

The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- where possible we shall advise parents of visits (and their costs) as soon as possible so that parents/carers can plan ahead
- we have established a system for parents/carers to pay in installments
- when an opportunity for a trip arises at short notice it will be possible to arrange to pay by installments beyond the date of the trip
- we acknowledge that offering opportunities on a “first pay, first served” basis discriminates against pupils from families on lower incomes and we will avoid that method of selection.

### **Arrangements for monitoring and evaluation**

The Finance Committee of the governing body will monitor the impact of this policy by receiving on a termly basis a financial report on those activities that resulted in charges being levied, the subsidies awarded (without giving names) and the source of those subsidies. It will seek to evaluate the impact of the school’s extended services on those children most in need of additional support.

**Date established by governing body**

**Date for full implementation**

**Date for review** 2019 or sooner if required.
