Term One Sept - Oct	Term Two Nov – Dec	Term Three Jan – Feb	Term Four March – April	Term Five May – June	Term Six June – July
Local Study	Local Study	The Anglo Saxons	The Vikings	Comparing Places Britain & Europe	Comparing Places The Seven Continents

NOTES

These Plans are based on History and Geography objectives and outcomes from the National Curriculum. Historical and Geographical skills and knowledge, along with other curricular areas such as British Values, Art/DT, Computer skills and other cross curricular areas, are planned and delivered through this topic-based approach. Please see medium and short term plans for more details.

It is also our intentions to make use of school trips, special workshops and events to enhance and broaden the children's learning experiences in these lessons.

Although the History plans are of a linear, chronological design, as it is a 4 year rolling programme to suit our vertically grouped KS2 class, not all children will receive teaching in this linear manner. To help the children put key historical events in a chronology a pictorial time line is displayed in the KS2 classroom. At the beginning of every history based topic references are made to the chronological time line.
