Please check uniform at home - has your child got items of another child's uniform? All uniform should be named to avoid mix ups.

YEAR 6 ARITHMETIC SAT PRACTICE There is a very good free website which Year 6 are encouraged to use to practice for their Arithmetic SAT paper. Go to <https://www.candomaths.org> and look for the link to ArithmeQuiz v1.0 or v 3.0. Children will need a pencil and some paper for calculations whilst they are doing the quizzes.

ONLINE SAFETY Parents are reminded to check their children's online activity regularly. Enclosed in the wallets is an information sheet about Tik Tok which we are aware some children are using. Please remember that this and similar apps are not recommended for children under the age of 13 and try to ensure that if your children are using them you know what they are posting and have checked their privacy settings.

YEAR 3 & 4 TAG RUGBY MATCH see letter in wallets and return permission slips by Friday 7th February please.

FOHS Save the Barn Dance! - if you would like to go to the Barn Dance on 8th Feb please let FOHS know. At the moment ticket sales are not sufficient to run the event and if further tickets are not sold it will have to be cancelled. FOHS will also be running a Valentine's Day Cake Sale after school on Friday 14th Feb, 3.15pm. Please bring any donations of cakes to the office that morning or give to Rachel Preece. Don't forget to bring some money when you collect your children to buy your loved ones some delicious treats!

STORYTELLING DAY We have been contacted by Kingshill House in Dursley with information about an event which may be of interest to families:

'Kingshill House is holding a Storytelling Day as part of National Storytelling Week which is going to be held on Sunday 2nd February. This year our theme is 'Stories from around the World' and the programme includes:

Angel Heart Theatre, professional puppeteers, portraying the tale of 'the Boy who cried Wolf';

Downpour Theatre Group, a local troupe of actors, telling the Greek Myth, "Alcyone and Ceyx";

Bill Church, former head of Dursley Primary School, aka the "travelling storyteller", regaling us with stories from Spain, Japan, Ethiopia and Russia;

Abi Nicol, from Creative Teaching, helping children to make their very own storytelling dice to fire up their imagination and make up their own stories.

The ticket price is £6 per child and £4 per adult and gives access to all four experiences during the course of the day.

We have plenty of free parking on site and will be serving refreshments during the day.

Further details, including how to buy tickets, can be found at our website www.kingshillhouse.org.uk.

Many thanks for supporting Kingshill House, a not for profit organisation and registered charity, who's main objective is to promote education in the arts to the community.'

Please remember to return your wallet **by Friday morning latest** each week.
