14th November 2022

Dear Parents

CHRISTMAS LUNCH

We have booked a Special Christmas School Lunch on Wednesday 14th December; this is provided by our usual hot meal providers, CaterLink. This has meant a change to the lunch menu for this day.

On the attached slip please tick what your child would like in the box next to the menu choice and return the slip to the school office by Monday 28th December. Alternatively, you can email your child's choices to the school office admin@hillesley.gloucs.sch.uk

You will still need to book and pay for a hot lunch for this day online on ParentPay as usual. The menu listed on the ParentPay site for 14th Dec will not show the Christmas lunch, so please choose and book any hot lunch so the numbers and payments add up. Please note that there are no alternative menu choices on 14th December; it is the Christmas Lunch only or your child can bring a festive packed lunch.

Thank you for your continued support.
